Dear LAAPL Members,

Thank you all for supporting the Los Angeles Association of Professional Landmen. We are delighted to present the 2011-2012 Membership Directory this year on behalf of the newly elected officers.

As in the past, we have a great selection of officers and active members who keep the organization running. As we are well aware of, professional organizations thrive at the local chapter level on great volunteers who freely give up their time. With the LAAPL it is no different; the unpaid heroes engaged in this group do it for the profession and the great history of oil, gas and utilities in the Los Angeles Basin.

I personally extend my thanks to all officers and active members who make possible the success of the LAAPL Chapter and further the cause of professional landmen.

Respectfully,

Joe Munsey, RPL
